

Dear Senior Homestead Owner:

Here are some important facts about the upcoming China Spring ISD 2007 school bond election.

- The dollar amount of your homestead taxes will not go up as a result of this bond election.
- That ceiling was established when you filed your over-65 homestead exemption with the County Appraisal District.
- A Constitutional Amendment is on the May 12 ballot that may further reduce your taxes.

We want you to have the right information to make a good decision about this school bond election. If you need more information about this school bond election, please call my office at 254-836-1115.

If you have questions about your taxes or your property appraisal, call the McLennan County Appraisal District.

Sincerely,

George Kazanas
Superintendent of Schools
